Dhaka, Bangladesh

## PROFESSIONAL SUMMARY

AI Consultant and Corporate Trainer who helps organizations adopt AI with confidence — designing AI strategies, running hands-on workshops, and embedding AI tools into real business workflows. Former Adjunct Faculty (Master's level) with deep expertise in instructional design, prompt engineering, and translating fast-moving AI capabilities into day-one workplace outcomes. Equally fluent in Odoo ERP implementation, change management, and enterprise technology consulting.

## AI TRAINING & WORKSHOP PROGRAMS

### Generative AI & Prompt Engineering

- Prompting Like a Pro — CRAFT framework with NotebookLM, Claude & ChatGPT
- AI-Augmented Productivity — tools & mindset for the modern knowledge worker
- AI for Executives — strategy, ROI, risk & enterprise adoption

### AI for Functions & Industries

- AI for HR Leaders — recruitment, L&D, analytics
- AI for Operations & ERP Teams — embedding AI into ERP & document workflows
- AI for SMEs in Bangladesh & South Asia — regional adoption playbook

### Career & Personal Brand in the Age of AI

- Career in the Age of AI — reskilling and relevance strategies
- Building Your Personal Brand as an AI-First Professional

**Delivery Formats:** In-person · VILT · Hybrid · Bootcamps · Executive Coaching

## CONSULTING EXPERIENCE

### Metamorphosis Ltd. — Founder & COO | Jan 2016 – Present

AI Consultant · Corporate Trainer · Odoo ERP Lead | Dhaka, Bangladesh

- Advise SMEs and enterprises on AI adoption — use-case discovery, tool selection, workflow redesign
- Design & deliver hands-on AI training for clients: shop-floor to C-suite
- Built 40-min AI literacy class (CRAFT framework) with NotebookLM — reusable decks & lab activities
- Lead Odoo ERP implementations as Bangladesh's first certified Odoo Partner

**Key clients:** BASB (Government of Bangladesh), Grameen Danone Foods, Green Tiger EV, Jamuna Spacetech JV, Premier 1888 (EPZ), Pasteur Pharmatech, and clients in NZ & UK.

### East Delta University — Adjunct Faculty (Master's) | Feb 2023 – Dec 2024

- Designed & delivered MAH 602 (HRIS & ERP) — postgraduate level
- Integrated live consulting case studies; mentored graduates on AI & digital transformation careers

### dSectors Services Ltd. — Director, ICT Consultancy | Feb 2023 – Present

- Lead ICT advisory practice; design technology blueprints and reusable training assets
